# Think Auto Rewind Hose Reel Think ENDURASPRAY

## 12 Volt Remote Control Hose Reel

The 12 volt, 2 speed remote control hose reel is available in variable hose lengths and with its easy operation and compact light weight design allows faster spraying and is ideal for use on smaller sprayers.

### Popular uses include:

- Farmers
- Sports ground and Recreational facilities
- Facilities companies
- Landscapers
- Councils

### Features:

- Spool designed for accurate rewind and hose protection
- Free-wheeling action for ease of hose pull out
- Weatherproof electronics for all conditions
- 4 roller hose guide enables smooth free running hose
- 2 speed remote control unit and separate rewind button on hose reel mounting
- Supplied with 4m of cable, fuse protection and crocodile clips with lighter socket adapter
- Nylon high pressure tangle resistant spray hose with hose stop collar
- Vehicle battery protection to prevent total battery drain
