## Product Details

In particular, **KALVOSTART UNIQUE** is well suited to:

- Premium Dairy Herd replacement calves
- Once a day feeding
- Once a day feeding with whole milk
- Machine feeding - both heifer replacements and beef calves
- Farmers looking to wean early
- Farmers experiencing difficulties rearing calves
- Farmers seeking to maximise the value of beef calves for sale
- Bought in calves - particularly the first few weeks on the new farm
- Farmers looking for good performance but wanting to save money on their milk powder (wean earlier and/or feed minimum requirement of powder)

**KALVOSTART UNIQUE** is not suited to:

- Farmers looking for a low cost milk replacer
