

PRICE LISTS

A column has been added to the price lists with one of the letters below against each product, and a filter has been applied.

This should allow Members to select only the sectors that pertain to their business, and should significantly shorten the price list making more relevant for some members. Initially it is set up to show all products.

Members can also filter by colour which if red selected will show only the price changes.

	Sector
A	Arable
AM	Amenity
M	Miscellaneous
G	Grassland Products
A/P	Arable & Potato
A/G	Arable & Grassland
P	Potato
V	Vegetable
