DEFINITIONS

- (a) "The Seller" means Finest Brands International Limited.
- (b) "The Buyer" means the purchaser of the goods.
- (c) "The Goods" means Goods sold by the Seller to the Buyer and includes all goods agreed to be sold by the Seller to the Buyer for which payment in full has not been received by the Seller.

2. APPLICATION OF CONDITIONS

All Goods are sold by the Seller upon the following terms and conditions unless otherwise expressly agreed in writing signed on behalf of the Seller by a Director.

3. TITLE TO GOODS

- (a) It is the intention of the Seller and the Buyer that the Seller shall transfer only such title as the Seller may have in the Goods and only on these terms.
- (b) Risk of damage to or loss of the Goods shall pass to the Buyer:
 - (i.) in the case of Goods to be delivered at the Seller's premises at the time when the Goods are delivered; or
 - (ii.) in the case of Goods to be delivered otherwise than at the Seller's premises, at the time of delivery or, if the Buyer wrongfully fails to take delivery of the Goods, the time when the Seller has tendered delivery of the Goods.
- (c) **Notwithstanding delivery and the passing of risk in the Goods, or any other provision of these Terms, the property in the Goods shall not pass to the Buyer until the Seller has received in cash or cleared funds payment in full of the price of the Goods and all other goods agreed to be sold by the Seller to the Buyer for which payment is then due.**
- (d) Until such time as the property in the Goods passes to the Buyer, the Buyer shall hold the Goods as the Seller's fiduciary agent and bailee, and shall keep the Goods separate from those of the Buyer and third parties and properly stored, protected and insured and identified as the Seller's property, but the Buyer may resell or use the Goods in the ordinary course of its business.
- (e) Until such time as the property in the Goods passes to the Buyer, (and provided the Goods are still in existence and have not been resold), the Seller shall be entitled at any time to require the Buyer to deliver up the Goods to the Seller and, if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer or any third party where the goods are stored and repossess the Goods.
- (f) The Buyer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Seller, but if the Buyer does so all moneys owing by the Buyer to the Seller shall (without limiting any other right or remedy of the Seller) forthwith become due and payable.

4. PRICES

- (a) Prices quoted in the current price list of the Seller supersede all prices for similar Goods in previous price lists.
- (b) Prices are subject to revision without notice and the prices payable by the Buyer will be those ruling at the date of despatch.
- (c) All prices are quoted exclusive of VAT and the costs of carriage which shall be payable by the Buyer

5. TERMS OF PAYMENT

- (a) Unless otherwise expressly agreed in writing, signed on behalf of the Seller by a Director, all accounts are due for payment on the date of invoice
- (b) Interest at the rate fixed for statutory interest under the Late Payment of Commercial Debts (interest) Act 1998 shall be payable on all overdue sums as well after as before any judgment and shall run until payment in full.
- (c) Sums shall be payable by way of additional compensation at the same levels as under the said Act and such additional compensation shall also attract interest at the same rate and for the same period.

6. GOODS INCORRECTLY ORDERED

The Buyer shall not cancel orders. If the Seller at its discretion accepts a return, such Goods will be subject to a handling charge.

7. DEFAULT BY THE BUYER

If the Buyer is in breach of any of these terms and conditions the Seller shall be entitled with or without notice at the discretion of the Seller either to suspend all further deliveries until the default be made good or to terminate any contract so far as any further Goods remain to be delivered without prejudice to any claim remedy or right the Seller might otherwise have claim or exercise.

8. DEFECTS AND SHORTAGES

- (a) The Buyer agrees to inspect the Goods upon receipt by it. All goods agreed to be faulty or sub-standard by the Seller will be authorised and arranged as an uplift and returned or destroyed as required by the Seller. The Seller will not accept any Goods sent back by the Buyer that have not been duly authorised.
- (b) If, in the opinion of the Seller, the Goods returned are defective and the defect is due to faulty workmanship or materials or to some other factor within its control, the Seller shall, at its option either replace the same or credit the Buyer with the value thereof.
- (c) In the event of the Buyer alleging a shortage in Goods received the Buyer must give written notice to the Seller of the same within 7 days of the date of delivery. The Buyer's obligation to pay in respect of the goods delivered shall not be affected.
- (d) Failure to notify the Seller of allegedly defective Goods or alleged shortages within the 7 day period specified above shall prevent the Buyer from claiming hereunder.
- (e) Any goods returned must be forwarded to:

No goods will be supplied on sale or return basis.

9. DELIVERY

- (a) All times or dates given for delivery of the Goods are given in good faith, but without any responsibility on the part of the Seller. Time of delivery shall not be of the essence of any contract nor shall the Seller be under any liability for any delay beyond the Seller's control.
- (b) The Seller shall be entitled to delay or cancel delivery or to reduce the amount delivered if it is prevented from, or hindered in, or delayed, in manufacturing, obtaining or delivering the Goods by normal route or means of delivery through any circumstances beyond its control, including but not limited to strikes, lock-outs, accidents, war, fire, reduction in, or unavailability of power, at manufacturing plant, breakdown of plant or machinery or shortage or unavailability of raw materials from normal sources of supply.

- (a) This clause 10 applies if:
 - (i.) the Buyer makes any voluntary arrangement, agreement or composition with its creditors or (being an individual or firm) becomes bankrupt or (being a company) a meeting is convened or resolution passed or a petition presented (otherwise than for the purposes of amalgamation or reconstruction) to wind up the Buyer or an Administrator or Administrative Receiver is appointed; or
 - (ii.) an encumbrancer takes possession, or a receiver is appointed, of any of the property or assets of the Buyer; or
 - (iii.) the Buyer suffers distress or process of execution to be levied on the property of the Buyer; or
 - (iv.) the Buyer ceases, or threatens to cease, to carry on business; or
 - (v.) the Seller reasonably apprehends that any of the events mentioned above is about to occur in relation to the Buyer or has doubts as to the Buyer's solvency.
- (b) If this clause 10 applies then, without prejudice to its rights under clause 3(e) hereof and without limiting any other right or remedy available to the Seller, the Seller may cancel any contract or suspend any further deliveries without any liability to the Buyer, and if the Goods have been delivered but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.

A notice sent by first class post will be deemed served 48 hours after posting and in proving service it shall be sufficient to prove despatch.**
- (b) No waiver by the Seller of any breach of contract by the Buyer shall be considered as a waiver of any subsequent breach of the same or any other provision.
- (c) If any provision of these Terms is held by a court or other competent authority to be invalid or unenforceable in whole or in part the validity of the other provisions of these Terms and the remainder of the provision in question shall not be affected.
- (d) **A person who is not a party to this Agreement has no right under the contracts (Rights of Third Parties) Act 1999 to enforce any term of the contract but this does not affect any right or remedy of a third party which exists or is available apart from that Act.**
