ELECTRIC FENCING

ISSUE 3

ENERGISERS

230v mains powered electric fence energiser

- 1.7 stored joules
- Latest LED technology
- Mains 230v or 12v input*
- Rotating fence performance monitor
- Low battery indicator
- Switch
- Galvanised steel stand
- 3 year warranty

Part: 47UF170C

*Mains 230v input only via AC adaptor provided

up to
12
miles

up to
60
acres

6, 9 & 12v battery strip grazer fence energiser

- 0.6 stored joules
- Powered by 6,9 & 12v batteries
- Galvanised steel stand
- 2 year warranty
- Ideal for strip grazing

Part: 47UF60B

up to
6
miles

up to
20
acres

9v battery powered electric fence energiser

- 0.18 stored joules
- Fully portable
- Powered by 9v internal battery
- Low battery indicator
- Switch
- Galvanised steel stand
- 3 year warranty

Part: 47UF18B

up to
1.5
miles

up to
8
acres

9V BATTERIES

- 55, 90, 120 & 165 amp hour air alkaline batteries
- 130amp hour saline battery

Parts:

47UFB55 55 amp hr Air alkaline

47UFB90 90 amp hr Air alkaline

47UFB120 120 amp hr Air alkaline

47UFB165 165 amp hr Air alkaline

47UFB130S 130amp/hr Saline

6V BATTERIES

- 40, & 80 amp hour air alkaline batteries

Parts:

47UFB44 40amp hr Air alkaline

47UFB44-80 80 amp hr Air alkaline

TAPE

- 12mm 200m tape with 4 stainless steel conductors
- 20mm 200m tape with 4 stainless steel conductors

Parts:

47UFT12 12mm, tape

47UFT20 20mm tape

ROPE

- 6mm 200m Rope with 6 stainless steel conductors

Parts:

47UFR6

WIRE

- 6 stainless steel conductors 250m
- 9 stainless steel conductors 250m
- Premium 6 stainless steel conductors 250m
- Premium 6 stainless steel conductors 500m

Parts:

47UFW6 6 strand wire

47UFW9 9 strand wire

47UFW6S 6 strand premium wire - 250m

47UFW6S-500 6 strand premium wire - 500m

LEAD OUT CABLE

Insulated cable for under gates and for taking power from mains energisers to the fence and earth.

Parts:

47UFHT25 25m 1.6mm steel core

47UFHT25S 25m 2.5mm steel core

47UFHT50 50m 1.6mm steel core

GALVANISED WIRE

- 7 Strand galvanised steel wire
- 1.6mm dia.

Parts:

47P22 200M

47P23 400M

REELS

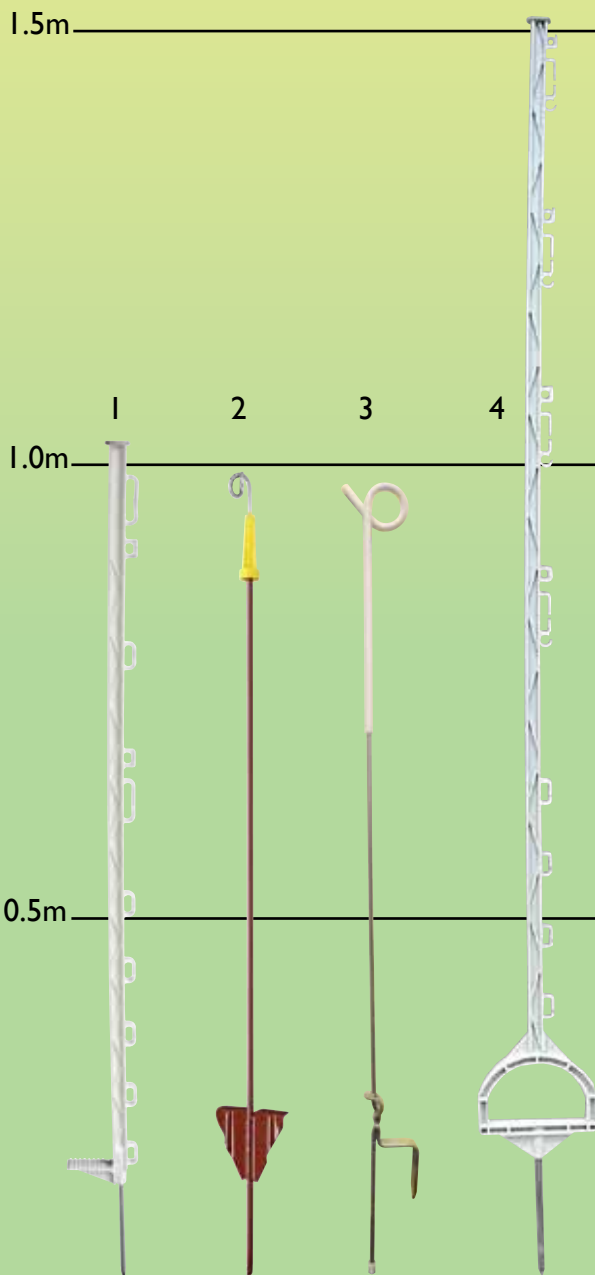

- 3:1 turn ratio premium reel with steel frame.

Parts:

47UFRL500S

POSTS

1. Plastic post suitable for tape, rope and wire. Pack of 10

Part:
47UFP90W

2. Steel post with top insulator and steel pigtail. Pack of 10

Part:
47P2-10

3. Spring steel pigtail post with insulating sleeve. Pack of 10.

Part:
47C2-10

4. Plastic post with suitable for tape, rope and wire and stirrup type tread in. Pack of 10.

Part:
47HP5 1.5

INSULATORS

Screw-in ring insulator for wire and rope. Pack of 25.

Part:
47UFIN37-25

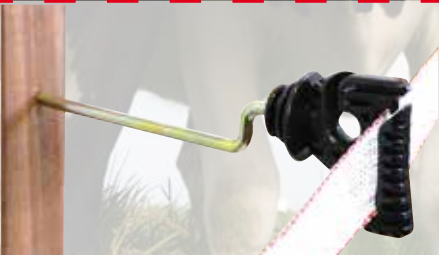

Screw-in, locking insulator for tape up to 40mm width. Pack of 25.

Part:
47UFIN45S-25

Saddle insulator for polywire. Pack of 50.

Part:
47UFIN13-50

Off-set insulator for wire, rope and tape up to 40mm width. 120mm off-set. Pack of 10.

Part:
47UFIN38L-10

Off-set insulator for wire and rope. 200mm off-set. Pack of 10.

Part:
47UFIN37L-10

ACCESSORIES

LED fence tester. Self earthing fence tester measures fence voltage up to 10,000V.

Part:
47UFKV20

Insulated spring gate handles.

Part:
47UFG17 Black compression type
47UFG18 Orange compression type

Insulated gate handle anchors.
Pack of 2.

Part:
47UFG28

Spring gate set. Includes insulated gate handle, anchors and 5m spring.

Part:
47UFG55

Narrow diameter spring gate set.
Includes insulated gate handle, anchors and 5m spring.

Part:
47UFG55S
