AVAILABLE  
IN 12 SIZES  
FROM 500  
to 13,000  
LITRES

## Horizontal Transport Tanks

These heavy-duty rust proof horizontal transport tanks can be used either for storage or transportation. The unique pin mounting system enables the tank to be mounted securely without the need to use steel mounting straps, which can cause fatigue. These plastic tanks are WRAS approved for the storage of drinking water (black coloured tanks only).

This tank is designed to conveniently mount on a flat surface without any additional support.

**500 Litre Horizontal Transport Tank**

**171005**

1190 L x 1050 W x 530 H (mm)
